- Occasional lifting 10 – 30 lbs. (files, boxes, etc.).

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

---

### **MINIMUM REQUIREMENTS**

These specifications are general guidelines based on the minimum experience normally considered essential to the satisfactory performance of this position. The requirements listed below are representative of the knowledge, skill and/or ability required to perform the position in a satisfactory manner. Individual abilities may result in some deviation from these guidelines.

- High school diploma or equivalent.
- 2 Years related experience and/or training; or the equivalent combination of education and experience. Work related experience should consist of a credit or loan processing background.
- Proficient knowledge of lending processes, loan principles and terminology related to banking laws and regulations, as they pertain to loan disclosures and requirements.
- Proficient familiarity and understanding of consumer and commercial loan documentation, collateral perfection, title insurance, UCC filing, compliance requirements, lending policies and procedures, and loan/funding terminology.
- Basic skills in computer terminal and personal computer MS Windows operation.
- Proficient use of MS Office products (Word, Excel & Outlook) and retrieval of data, with the ability to adapt to and learn new products and technologies quickly.
- Working knowledge of financial services loan systems and documentation applications. LaserPro preferred.

## **POSITION DESCRIPTION – CONTINUED**

- Typing skills to meet production needs of the position.
  - Knowledge of bank accounting practices including the understanding of debit/credit relationships; math skills to calculate interest, balance accounts and locate routine mathematical errors.
  - Effective listening, verbal, written and telephone etiquette business communication skills, with the ability to read, write, speak and understand English well.
  - Demonstrated ability to quickly focus on key issues and make decisions under pressure of time constraints.
  - Detail oriented with strong organizational, time management, data review, and processing skills; with the ability to manage multiple assignments, ensuring that priorities are set, with the ability to meet multiple and sometimes competing deadlines, with an emphasis on accuracy and quality.
  - Excellent research, analytical and problem-solving abilities to identify and resolve exceptions and interpret data.
  - Ability to work well both independently and collectively within a team environment.
  - Flexible with and accepting of change in a fast-paced environment, with willingness to learn new skills.
  - Project a professional image through appropriate business attire, ethical behavior, personal responsibility, punctuality, flexibility, and respect for confidentiality with sensitive information.
-
