Q: What are services and settings?

A: Services and settings are a suite of application tools that allow you to manage your online accounts and request many standard financial services. You have access to a variety of services, including the following:

- Changing your account nickname.
 - Changing your Access ID.
 - Changing your passcode.
 - Changing your security verification questions and/or answers
 - Changing your Security Code Delivery preference.
 - Activating hardware security tokens.
 - Opting-in to receive email notifications about new products and services from Liberty Bank.
 - Setting the way your account information is sorted.
 - Ordering copies of transaction items or documents, such as cancelled checks, statements, disclosure forms, etc.
 - Reordering checks.
 - Requesting documents, such as copies of checks.
 - Stopping payment on a check.
 - Sending files to Liberty Bank
 - Sending encrypted email to Customer Service at Liberty Bank.
 - Finding contact addresses and phone numbers for Liberty Bank.
-

Q: Why do I always land on the Home page?

A: The Home page is the designated landing page for Online Banking, to provide quick access to all your accounts.
